MONDAY EVENING, December 15 (second time and by special request), LONDON ASSURANCE Received Saturday night with laughter and enthusiastic TUESDAY EVENING, December 16, OLD HEADS AND YOUNG HEARTS, given last Monday with emphatic success On WEDNESDAY NIGHT, December 17.

Mr. DALY begs to announce, will be performed the first of the series of NEW DRAMAS with which he intends to mark the season at his new theatre. It is an entirely new and striking adaptation of a new and weird drama by ADOLPH BELOT, which is the REIGNING PARISIAN sensation, under the title of

PARRICIDE. M. Belot is known in America by his famous novel, "Article 47." on which Mr. DALY founded his popular drams of that name. The present play, in the course of its seven tableaux, possesses an intense interest, not only from its extreme novelty of plot and subject, but its vivid force of clustracter painting and PROFOUND PSYCHOLOGICAL STUDY,
